

The Board of Selectmen posted a meeting for 4:00 pm on Tuesday November 20, 2012 for the signing of documents only, due to the Thanksgiving holiday week. The Board had voted on November 15, 2012 that two Selectmen reviewing and signing documents would be sufficient to release the manifest payments.

Hunter was at the Town Hall on Tuesday evening; and Selectmen St Germain and Scribner were unable to get to the Hall until Wednesday morning.

All Selectmen reviewed and signed the Payroll manifest in the amount of \$19,844.20 and the Accounts Payable manifest in the amount of \$22,953.13, both dated for November 23, 2012.

There were some questions posed and answered regarding payroll items on the manifest.

Chairman Scribner also signed the NH LGC Insurance renewal form for the Town's health, life and disability insurance coverages for the 2013 calendar year, that was discussed as part of the Personnel Administration budget on October 25, 2012.

Selectmen reviewed and stamped for approval a few bills for payment next week.
